## Outline of the Award

The Award has three levels: Bronze, Silver and Gold. Each of these levels is made up of four Sections: Physical Recreation, Skills, Service and Adventurous Journey. The Gold Award has an additional requirement – a Residential Project. All participants in the Award must be registered with an Award Unit. The Award Unit must approve activity assessors prior to participants undertaking any Award activities with them.

Participants design their own programme by selecting activities that interest them and then set their goals according to the following minimum requirements (summarised in the table below).

BRONZE	
Physical Recreation	3 months*
Skills	3 months*
Service	3 months*
Plus	All participants must complete another three months in either Physical Recreation or Skills or Service
Adventurous Journey	2 days + 1 night**
SILVER	
Physical Recreation	6 months*
Skills	6 months*
Service	6 months*
Plus	Participants who have not achieved a Bronze Award must complete an additional six months in either Physical Recreation or Skills or Service
Adventurous Journey	3 days + 2 nights**
GOLD	
Physical Recreation	12 months*
Skills	12 months*
Service	12 months*
Plus	Participants who have not achieved a Silver Award must undertake an additional six months in either Physical Recreation or Skills or Service
Adventurous Journey	4 days + 3 nights**
Residential Project	5 days + 4 nights

\* These are **minimum** time requirements and are expressed in whole months, during which there should be **regular commitment**. As a guide, regular time commitment is at least one hour per week or two hours per

fortnight. In the case of Service, this may be four hours per month (in block time periods) dependent on Award Leader approval. Award participants are encouraged to continue their activities beyond the minimum time.

\*\* Satisfactory completion of the Adventurous Journey section includes training and preparation appropriate for the journeys being undertaken and at least one practice journey of a similar nature and duration to the qualifying journey.

1. Any young person aged 14 to 24 can become an Award participant.
2. At Bronze level, if a person is 13 and 9 months, but is part of a peer group where the majority are 14 years or older, then some discretion is given to the Award Unit to allow that young person to start their Bronze Award with the rest of the group.
3. A person may start Silver at 14 and 9 months if they have completed their Bronze Award. In practice, this means that participants who are given concession to start Bronze or Silver early will need to wait longer to receive their Award.
4. Participants who start their Bronze or Silver Award slightly earlier will need to wait until they meet the minimum age for completion before they can claim their Award.
5. No activity undertaken before a participant's 16th birthday may be counted towards a Gold Award.
6. Please contact your local Award office if you have any questions about age range and start the Award prior to 14 years of age.
7. The Award must be completed by the participant's 25<sup>th</sup> birthday.
8. Parent/guardian consent is required for participants under 18 years.
9. All participants must sign the participant agreement.
10. The standards of achieving an Award are individual effort, perseverance and progress.
11. The Award is to be completed substantially in the participant's own time.
