

The Duke of Edinburgh's International Award – AJ Supervision Plan- EXAMPLE

Name of team: Brillnuts, Finns, Wild Walkers and Crazy Cyclists			Number in team: 7 per team		
Date: 10 August 2016 (one plan per day)	Day of second day of Gold journey journey:	Time of 9.30pm sunset:	Predicted lots of rain weather:		
Hazards on route:		Grid reference:	Possible areas of navigational error:	Grid reference:	
- (possibly) flooded marshland		SO393203			
- (slightly) dangerous road crossing		SO395204			
- mountain path with drop-off		SO400203			
Planned meeting points:	Team's ETA:	Grid reference:	Other important information:		
Finns Checkpoint1	10am	SO393201	Brillnuts has a member with special needs; although their Practice went well enough, it's important to check on them a bit more often to make sure they stay on track.		
Brillnuts Checkpoint 1	11am	SO393201			
Wild Walkers Checkp. 1	11.30am	SO393203	Finns is a very strong team, but a bit weak on navigation so important to check on them early in the day.		
Crazy Cyclists Checkp. 2	12.00am	SO393210	The cyclists and Wild Walkers are very strong teams that can be remotely supervised most of the time.		
Brillnuts Checkpoint 2	1pm	SO395204			
Finns Checkpoint 3	2pm	SO395204	The Assessor will check on each of the teams as well once a day; they will meet the Cyclists at their first checkpoint and the Finns at their second checkpoint.		
Brillnuts Checkpoint 3	3pm	SO400203
