

Assessor's Route Card

Based on the route card of the Participant's completing their AJ, Assessors use this form to plan the details of their assessment. Depending on the goals of a specific observation from the Assessor, groups can be contacted directly or observed from a distance – the Assessor being either "visible" or "invisible" to the group members.

Assessor: Group: Day of AJ:

	Place	Grid Ref.	Time	Goal(s) of observation	Kind of contact	How to get to the observation location
