AWARD FOCUS

United Nations Sustainable Development Goals

An Award Focus is the larger impact you wish to make through your Award journey. For Participants passionate about the social, political, and environmental future of our planet, as both those who will experience the outcomes of decisions made today and be the leaders to make decisions tomorrow, consider how your Award program might be a platform to drive impact within yourself and your community in alignment with the UN Sustainable Development Goals (UNSDGs): <https://www.globalgoals.org/goals/>. **How can you align your activities in each Award section with a UNSDG?**
